A VERY MERRY CHRISTMAS

TO ALL! ~ Gladys and Warren Reece

FOR GOD SO LOVED THE WORLD, THAT HE GAVE HIS ONLY BEGOTTEN SON, THAT WHOSOEVER BELIEVETH IN HIM SHOULD NOT PERISH, BUT HAVE EVERLASTING LIFE. John 3:16

SERVICEMAN'S CORNER:

"A Korean Christmas Carol"

'Twas the nite before Christmas, and all
thru the tent
Was the odor of fuel oil (the stovepipe
was bent).
The sheepskins were hung by the oilstove with
care,
In hopes that they'd issue each man a new
pair.
The weary GIs were sacked out in their
beds
And visions of sugar-babes danced thru
their heads.
When up on the ridge line there arose such
a clatter,
(A Chinese machine-gun had started to
spatter).
I rushed to my rifle, and threw back the
bolt,
The rest of my tent-mates awoke with a
jolt.
Outside we could hear our platoon Sergeant
Kelly--
A hard little man with a little pot
belly---
"Come Yancoo, come Claney, come Connors,
and Watson--
Up Miller, Up Shiller, Up Baker, and
Dodson!"
We tumbled outside in a swirl of confu-
sion
And found our friend Kelly in a whirl of
illusion.
"Get up on that hilltop and silence that
Red,
And don't you come back 'till you're sure
that he's dead!"
Then, putting his thumb up in front of
his nose,
Sergeant Kelly took leave of us shivering
Joos---
But we all heard him say in a voice soft
and light,
"Merry Christmas to all--may you live
thru the night!"

----by Lt. Col. Darrell T. Rathbun
with the U.S. 9TH CORPS IN KOREA
(reprinted from the United Press Release)

Well, there you are fellows---you're own
"Night Before Xmas" poem. When somebody
save somethin' clever about you guys over
there, it makes us just as proud as if
we wrote it ourselves!

Our Cpl. Bob Tann, USMC, now
stationed on Treasure Island, waiting
for further orders, has received his
promotion. "Just call me Sarvo", will
be Bob's greeting henceforth!

Pvt. David Wilson, home on
leave from Fort Ord--looks like an
understudy for Santa Claus, what with
the white stuff on his face in treat-
ment for a particularly bad case of measles
cank! That's all for now fellows.
WITH ALL THE BEST FOR YOU IN 1952!

IN SINCERE THANKS TO THE
PEOPLE OF BRISBANE--FOR
THEIR WONDERFUL
COOPERATION IN 1951--WE
BRING YOU THESE GREETINGS
MERRY Xmas & Happy New Year
FROM--The members of The Brisbane
Fire Department.

LOCAL COUPLE SPONSORS FREE SHOW:

The day before Christmas will be a busy and happy one for Mr. and Mrs. Jay Fichera, of 154 San Benito Road, for the Ficheras are sponsoring the free pro-Xmas show at the local theater on Monday, Dec. 24th. The afternoon show will be for the kiddies of Brisbane, and will consist of cartoons, comedy, and a really amazing motion picture entitled "The Guest". The Bunny Carroll group of dancers will entertain, and the Cub Scouts will be there to sing Christmas Carols, under the supervision of Mrs. Byron Jensen. Master of Ceremonies at the afternoon show will be Frank King, and Santa Claus will appear with treats for the kiddies. The afternoon show begins at 12:30.

The Christmas Eve showing of the motion picture and cartoons will take place Monday night, at 7:00 p.m., and will last approximately one hour. The evening show is free to adults.

We think a vote of thanks is due to Mr. and Mrs. Fichera and to Bob Hutsell, manager of the local theater, for this big free show on "The day before Xmas".

GILMAN ACQUITTED:

Of good news to his many friends here in Brisbane and elsewhere is the news that our Police Commissioner Gilman has been acquitted by a jury trial of the ridiculous charges against him by a Candle stick Cove family. It only took the jury five minutes to arrive at the obvious verdict at the trial presided over by Judge Milton Shapiro.

LIONS CLUB CHANGES PLANS FOR XMAS PARTY:

The Brisbane Lion's Club decided to eliminate the Christmas parade this year, due to a lack of cooperation, and have decided to hold a Christmas party for the youngsters of Brisbane at the local theater on Saturday morning, Dec. 22nd, at 10:30 a.m. Instead of the usual large stack of small prizes for the kids, this year there will be two bicycles given away at the theater, one a boys', and the other a girl's. Santa Claus will be there with goodies for the kids, and there will be cartoons and comedies to delight the young hearts. Admission will be free to the youngsters.

In next week's issue of the Byline, we hope to be able to announce the winners of the Christmas decoration contest for the homes of Brisbane.

BRISBANE FIRE DEPT. XMAS PARTY:

Another Christmas party for the kids of Brisbane will be held at the Trafford Hall (Visitation at Alvarado Sts.) on Saturday afternoon, Dec. 22nd, at 1 p.m. with Santa Claus handing out the goodies and treats--sponsored by the Brisbane Volunteer Fire Department.

REPORT FROM BRISBANE IMPROVEMENT CLUB:

As a result of the last meeting of the Brisbane Improvement Club, a further study will be made to determine the best means of securing proper sewer facilities for the balance of Brisbane, as well as for the Acres. We expect to have available an estimate of the cost, at the next regular meeting, scheduled for Thursday at 8:00 p.m.--(Dec. 20th, 1951)--at the American Legion Hall. All owners of property not now connected to sewers should attend this meeting, and all future meetings dealing with this sewer problem.

Those who now have the advantage of sewers should also attend, as the seepage from septic tanks and cesspools is fast becoming a health problem. If the entire Brisbane area were served by sewers, there is no question but that the town would advance rapidly, as it is practically impossible at present to secure a permit for a septic tank. The town would also benefit in increased assessed valuation, due to the improvement in property, which would tend to decrease the overall cost of taxes to the property owners.

Have you noticed that the old brick building above the firehouse has been torn down? This was brought about through efforts of the Improvement Club.

For the benefit of those who are learning of the Improvement Club for the first time, here is a brief summary of what has been accomplished in a few short months;---three old abandoned buildings have been removed---two weekends were spent in cleaning up vacant lots and removing truck loads of junk, which was later burned by the Fire Department---two coats of paint inside and out have been applied to the bus station on Bayshore, and the station anchored to the ground.

Regular monthly meetings have been held, and while attendance has been fair, there should have been many more residents attending.

The following is quoted from the National Sanitation Foundation:

"Sanitation is a way of life. It is the quality of living. That is expressed in the clean house--the clean farm--the clean neighborhood--the clean community. Being a way of life, it must come from within the people. It is nourished by knowledge and grows as an obligation and an ideal in human relations."

THE BRISBANE IMPROVEMENT CLUB WISHES EACH AND EVERY ONE IN BRISBANE A MERRY CHRISTMAS AND A HAPPY NEW YEAR!

----The Brisbane Improvement Club.

QUOTE:

"The measure of a man's real character is what he would do if he knew he would never be found out."

-----Thomas Babington Macaulay.

REPORT FROM JEFF HI BOARD OF TRUSTEES:

Plans for a new cafeteria and class room building were ordered drawn by the Board of Trustees, Jefferson Union High School, at their regular meeting on Dec. 10th. The building will have a new cafeteria and dining room, plus a new home-making department, and three other class rooms. Mario Ciampi is the school architect and will start work on the preliminary plans at once.

Negotiations are now under way for the purchase of a site near Skyline Boulevard and Pedro Road. This site will be used for a new high school, to take care of the increased enrollment which is expected.

The board also asked the architect to help with plans for extensive repairs to the roof of the swimming pool. Moisture has caused considerable rotting of some of the boards, and some alteration must be made to provide better ventilation.

STANFORD HANNAH REAPPOINTED FOR 4 YRS:

Stanford Hannah, district superintendent and principal of Jefferson Union High School for the past eight years, has been re-employed for a term of four years.

This action was taken by the board of trustees at it's regular meeting, Dec. 10th. Hannah came to Jefferson in 1944, from Taft Union High School and Junior College. His present contract expires June 30, 1952, and he indicated his acceptance for the term expiring in 1956.

Members of the board of trustees are Mr. Peter Markovich, chairman--Mrs. Ann Eason, clerk--Mrs. Mildred McGeehin, Mr. Tom Callan, Sr., and Mr. Lyal Ingersoll.

CAN YOU KEEP CHRISTMAS???

Are you willing to forget what you have done for other people, and to remember what other people have done for you; to ignore what the world owes you, and to think what you owe the world; to put your rights in the background, and your duties in the middle distance, and your chances to do a little more than your duty in the foreground; to see that your fellow men are just as real as you are, and try to look behind their faces to see their hearts--hungry for joy; to own that probably the only good reason for your existence is not what you are going to get out of life, but what you are going to give to life; to close your book of complaints against the management of the universe, and look around you for a place where you can sow a few seeds of happiness---are you willing to do these things, even for a day? Then---you can keep Christmas!

-----Henry Van Kyke, published formerly in SCRIBNER.
